Masters Drop In Tennis Program

The Masters Drop In Tennis program is:

- Played on the smaller 60-foot tennis court with balls that move 50% slower than traditional tennis balls.
- More fun since it allows for less court coverage and increased rallies.
- Ideal for players new to tennis, players who have given up tennis due to limited court coverage issues or recreational players looking for a new challenge!
- Players use traditional tennis racquets or players may opt for a smaller length racquet.

Fee: \$3.00.

Days:

Tuesdays & Thursdays

Time:

10:30am —12 noon

Try the Masters Drop In Program for FREE on January 5th & 7th! Learn how the modified court and equipment allows the game to “slow down” just enough to allow for more fun, exercise and a greater tennis experience.
